*PHILCAMSAT delivers  
special course  
for NSB chief cooks*

PHILCAMSAT's Culinary Team headed by Chef Eduardo Pelisigas conducted a training course for NSB (Niederelbe Schiffahrtsgesellschaft mbH & Co. KG) specially designed to enhance the knowledge and skills of NSB chief cooks in managing galley operations. The training program considers the health and nutrition of personnel onboard vessels, proper controlling of provisions and budget, ensuring food safety sanitation, and hygiene practices in serving varieties of nutritious food that fulfills cultural and religious practices, in compliance with national and international requirements.

In support of NSB's commitment to promoting health awareness onboard, a 2-day session with a nutritionist was also included in the program.
